May all your dreams and  
Christmas wishes come true.

## **Christmas Décor- Art and Craft activities @DPS VAPI**

The month of December brings a lot of warmth, hope and glad tidings. Celebrating Christmas is a special experience for the children. Bringing these celebrations into the classroom makes learning more pleasurable and memorable. Taking some time away from the regular day to day school routine and celebrating the festivity through participation and creation is a magical thing.

The classes pre-nursery to class II enjoyed participating in the well planned 'Design and craft' activities on the theme 'Christmas Décor'.

From the cutouts all around, to the sticking, folding and decorating, the fun unlimited cheered with sharing and caring moments inculcating values while enjoying the spirits of Christmas.

The little ones of pre-nursery crafted masks and the little santas enjoyed seeing each other with those santa happy faces

The angels of nursery designed a Christmas greeting card, sending their innocent positive vibes while the tiny little hands crafted the card.

The cupids of prep could not stop thinking of the gifts santa will bless them with, while they decorated the stockings

The cherubs of class 1 designed refrigerator magnets based on festive theme.

The mightiest ones of class II decorated the wreath expressing their creativity and love for colours and décor materials.

All in all, it was a fascinating, incredible and awesome week full of energy and bustle while the dipsites with full zeal participated in all and all that was planned.
