Fancy Dress at DPS Vapi

Pre-Primary

“The most beautiful world is always entered through imagination.”

‘Dress up’ activities are of great benefit to children especially for the toddlers and preschoolers in the foundation years for building their imagination and vocabulary.

Pre-primary section conducted the activity ‘Dress up to resemble’ for the classes pre-nursery, nursery and prep, on February 3, 2023. The creative enthusiasts were excited about dressing up for the event and with the assistance of their parents, came dressed up gleefully as per the themes assigned class-wise. The themes for the activity were flowers, fruits and gadgets for the classes pre-nursery, nursery and prep respectively. The cherubs amused us with their creativity, speech, memory and boundless imagination shown in their dress and narration.

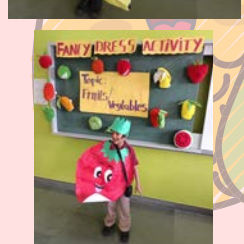

The children did a phenomenal job at the event! Through their innocent enthusiasm and colorful imagination, the dipsites turned the event into a roaring success.
