A Visit To 'My Froyoland'

‘Sugar-free yogurt over ice cream is like Healthy eating over junk.’ Summers call for cool and frozen surprises, the enthusiastic **DIPSITES** of Pre-Nursery visited **My Froyoland**, an exclusive land of frozen flavoured yogurt on April 12, 2023. The cupid's were thrilled to go to one of their favourite places. The objective was to teach them the concept of seasons and foods. The representative of Froyoland extended a warm welcome to the children and the teachers. The students were introduced and acquainted with the machine room, the process of making froyos and the self-serving vending machine. The cupid's were served with a cup of deliciousness. The most enjoyable part of the trip was; ‘Top It’ - where the children were asked to select from a variety of toppings be it cookie dust, fruit jelly, chocolate sprinkles, rainbow sprinkles, white and dark chocolate chips, granola, kit kat bits, almonds, gems, oreo's and apart from these there are even unlimited sauces chocolate sauce, peanut butter, fruit fillings, crunchy fresh fruits, etc.

Dipsites enjoyed drooling guilt-free premium quality Froyos at My Froyoland. They had a swirling experience filled with health and happiness.
